

Castrol Agri working for you

The classification system below has been introduced to help you select the right product for every application

25 litres

The tops / bottom of the packs are colour coded to signify the application:

Icons

Each pack displays an icon:

- Universal tractor oil**
- Engine oil**
- Transmission oil**
- Gear oil**
- Hydraulic oil**
- Greases**
- Others**

Silver
Ultra, optimal levels of performance and protection

Sand
High levels of performance and protection

Red
Good levels of performance and protection

Castrol Agri

Offering dedicated global experience, advanced technological research and an in depth understanding of your business.

Whatever your product needs, from engine oil to grease, we deliver lubrication solutions that work all day, every day. 'Whatever the weather', Castrol gives optimum power and performance to your farm equipment.

The Castrol Agri range of products and services is now available from your dealer.

Castrol Agri, the name in Agriculture.

Come rain or shine

universal tractor oils

MP Plus ^{10W-30}

Super universal tractor oil

One oil that delivers high performance & protection for engine, transmission, wet brake, hydraulic and front axles

Benefits

- One oil simplifies servicing, avoids misapplication
- One oil reduces inventory, saves money
- Excellent cold start protection reduces engine wear

Specifications

API CF-4/CE/SF
API GL-4
M1144 approved
M1141, M1139, M1135
JDM J27 & J20C

Pack sizes

Bulk, 208L, 25L, 5L

MP ^{15W-30}

Universal tractor oil

- One oil that protects engine, transmission, wet brake, hydraulic and front axles
- One oil reduces inventory, saves money

Specifications

API CE/SF
API GL-4
M1139, M1135
JDM J27 & J20C

Pack sizes

Bulk, 208L, 25L, 5L

engine oils

Power Ultra ^{10W-40}

Ultra performance engine oil

Ultimate performance & protection for farm and on road vehicles. It is fuel efficient, can extend oil drain capabilities and provides superior engine cleanliness.

Benefits

- One oil for farm and on road vehicles
- Maximises power output
- Low emissions & fuel efficiency protects environment
- Optimises oil drains to keep vehicles working longer
- Excellent cold start properties

Specifications

API CH-4/CF-4/SJ; ACEA E5, E3, B3, B4, A3

Pack sizes

Bulk, 208L, 60L, 25L

Power Plus ^{15W-40}

High performance engine oil

High protection against wear and other contaminants in modern petrol and diesel engines

Benefits

- One oil for farm and on road vehicles
- Prevents engine wear to prolong component life
- Potential to extend oil drains keeping vehicles in the field
- Compatible for all fuel types incl bio fuels

Specifications

API CG-4/SJ; ACEA E3/B3/B4/A3

Pack sizes

Bulk, 208L, 60L, 25L, 5L

Sales code

Power ^{15W-40}

Engine oil

Suitable for use in older machinery or those operating under moderate operating conditions

Benefits

- Good protection for agricultural engines

Specifications

API CF-4/ CF/SG
ACEA E2/ B2

Pack sizes

Bulk, 208L, 60L, 25L

transmission oils

Trans Plus ^{10W-30}

Universal transmission fluid

For use in hydraulic, transmission and PTO with enhanced corrosion protection properties. Gives highest levels of wear prevention from start up and throughout the operating period.

Benefits

- One oil reduces inventory, saves money
- One oil simplifies servicing, avoids misapplication
- Longer component life reduces downtime & maintenance costs
- Maintains operating temperature & smoother gear changing

Specifications

API GL-4
M1143 (approved),
M1141, M1135 (Service fill),
JDM J20C
Ford M2C 134D,

Pack size

Bulk, 208L, 60L, 25L, 5L

Trans Plus AS ^{80W}

Anti-squawk transmission fluid

Universal tractor transmission fluid specifically formulated to protect wet brakes from squawk.

Benefits

- Reduces/ eliminates brake chatter
- Improves brake efficiency
- Prolongs equipment life
- Lowers maintenance costs

Specifications

API GL-4
M1135
Ford M2C 86 B & C

Pack size

Bulk, 208L, 60L, 25L

gear oils

Gear Plus GL-5 ^{80W-90}

High performance gear oil GL-5

A high performance gear oil for use in all applications where an API GL-5 product is required

Benefits

- Improved seal compatibility stops contamination & leaks
- Maintains 'film thickness' under low & high temperature work routines.
- High protection during cold start up

Specifications

API GL-5

Pack size

Bulk, 208L, 60L, 25L, 5L

Gear Plus GL-4 ^{SAE 90}

High performance gear oil GL-4

A high performance gear oil for use in all applications where an API GL-4 product is required

Benefits

- Improved seal compatibility stops contamination & leaks
- Maintains 'film thickness' during high load work routines.

Specifications

API GL-4

Pack size

Bulk, 208L, 60L, 25L

hydraulic oils

Hydraulic Oil Plus

High performance hydraulic oil

A high quality oil, suitable for use where ISO 32,46,68 specifications are required. Using the latest in hydraulic oil technology it is highly shear stable, so maintaining its performance across a wide operating temperature range to give outstanding protection and smoother hydraulic performance.

Benefits

- One oil reduces inventory and saves money
- One oil simplifies servicing, avoids misapplication
- Optimum performance throughout the year
- Prevents contamination by water, rust and oxidation

Specifications

BS 5063 Class HV
DIN 51524 Part 2 Class HLP

Pack size

Bulk, 208L, 60L, 25L, 5L

greases

Grease Plus

High Performance Grease EP

High quality, extreme pressure grease, formulated specifically to resist water ingress and maintain operating temperature when machinery operates at high torque.

Benefits

- Resists water wash off
- Prolongs component life
- One grease makes servicing easier, and saves money
- Dyed red for easy identification

Specifications

Operating temp: -25°C to +140°C
NLGI 2

Pack size

50kg, 12.5kg, 5kg, 400g cartridge

Sales code

Grease

Multipurpose Grease

A good quality multipurpose grease for various farm applications

Benefits

- Protects components

Specifications

Operating temp: -25°C to +130°C
NLGI 2

Pack size

50kg, 12.5kg, 5kg, 400g cartridge

milk machine oil

MMO

Milk Machine Oil

A mineral based vacuum pump oil suitable for use in most milk machine vacuum pumps

Benefits

- Prevents corrosion
- Prolongs component life

Specifications

ISO VG 68

Pack size

5 litre
