

# CASTROL AND OEMS: THE PERFECT PARTNERSHIP

We're proud of the **EXTENSIVE OEM APPROVALS** that our **GEAR OILS, HYDRAULIC OILS, AND GREASES** have achieved.

Now, we offer you our **PARTNERSHIP** to work alongside our customers, providing them with the...

**WORLD CLASS PRODUCTS**

...and expert support that they need.

**...EXPERTISE** in the post-warranty market helps wind-farm owners make the **RIGHT CHOICES** once their OEM warranty expires.

By recommending Castrol products to customers, you can help them maximize productivity, which can lead to overall cost savings.

And although you are familiar with our **PRODUCTS...**

...do you know about our range of **CARE OPTIONS?**

This includes our **USED-OIL ANALYSIS PROGRAM (UOA)** to help build data transparency; high-quality pre-filtered products; logistics support (even to remote sites);

**JOINTLY BUILD** capability programs, and our **EASY SWITCH** program, including flushing procedures.

All of these help to **OPTIMIZE LUBRICANT USAGE, INCREASE ROI,**

...and provide overall **COST REDUCTIONS** throughout the years following warranty expiration.

We want to **STRENGTHEN OUR PARTNERSHIP** and **EMBARK ON A JOURNEY** with you...

...to **NURTURE** and **EDUCATE** customers, together.
