

Chain Lube

Motorcycle chain care

Description

Castrol Chain Lube is a Chain Lubricant spray for the protection of motorcycle chains against wear and corrosion. The advanced lubricant formulation penetrates all chain parts, then sets to form an adhering, long-lasting protective film.

Application

Compatible with all motorcycle chain types (O-ring, X-ring, Z-ring).

Conditions of Use

- Clean the chain surface before application. Castrol Chain Cleaner is recommended.
- Shake the can well before use.
- Spray the product uniformly onto the surface from 6 to 8 inches. (Keep the chain moving during the application)
- Use the extension tube to reach all difficult areas, avoid wastage and for better results
- Apply evenly onto the surface, allow it to penetrate and settle for few minutes.
- Wipe off the residue from the surface immediately using a microfiber cloth

Advantages

- Penetrates all chain parts for excellent lubrication
- Protects with a long-lasting film
- Protects from wear and corrosion

Typical Characteristics

Castrol Chain Lube		
Appearance	Supplier	- Amber Thick Fluid
Stability	Supplier	- Stable
