1. Important Provisions

   We have a duty, in terms of the Consumer Protection Act, No. 68 of 2008 to point out certain important provisions in these Terms and Conditions to you. The clauses which contain these important provisions and the reasons why they are important are set out below. It is important that you read all of these Terms and Conditions carefully and not only what we point out below.

   1.1. Limitation of risk, legal responsibilities and liability. Clauses 6, 7, 9, 10and 11 herein below are important because they limit and exclude obligations, liabilities and legal responsibilities that we and other persons or entities may otherwise have to you. As a result of these clauses, your rights and remedies against us and these other persons and entities are limited or excluded. These clauses also limit or exclude your right to recover from, or make claims against, the Promoter for losses, damages, liability or harm you or others may suffer as a result of your participation in the Promotion. Clauses 9 and 10 herein below are particularly important because you take on risk, legal responsibilities and liability. In terms of these clauses, you may be responsible for taxes, fees, claims and other amounts. You will also be responsible for, and you accept, various risks, damages, harm, and injury which may be suffered by you and others for what is stated in these clauses.

   1.2. Indemnities by you. Clause 7 herein below requires you to indemnify (hold harmless) us and other persons or entities against claims, loss, damages, and harm that may be suffered by us and other persons or entities as a result of your participation in the Promotion. This places various risks, liabilities, obligations and legal responsibilities on you, and you will be responsible and liable for the payment of the value of the claims, loss, damages, and harm that may be suffered or claimed.
