

CREDITS

Accelerating the EVolution: The tipping points to mainstream electric vehicle adoption is based on in-depth research commissioned by Castrol, designed by Castrol and Man Bites Dog, with additional economic modelling of EV market potential by Oxford Analytica.

DISCLAIMER

In the disclaimer can we add the following: "Unless specified otherwise, references in this material, including this disclaimer, to "BP" and the "BP Group" shall mean BP International Limited and the subsidiaries and affiliates of BP p.l.c, including Castrol.

This material reflects findings from an independent research study, conducted by Man Bites Dog and commissioned by BP. The comments and data presented in the study reflect the views of the people that took part in the research, and these may not necessarily reflect the opinion or views of BP or any member of the BP Group.

This material has been produced for information and discussion purposes only and does not constitute advice or an invitation or recommendation to enter into any transaction. Some of the information appearing herein may have been obtained from public sources and while BP believes such information to be reliable, it has not been independently verified by BP.

The information contained in this material is not comprehensive. Despite our efforts, it may not be accurate, up to date or applicable to the circumstances of any particular case. We make no representation or warranty as to its accuracy or completeness. We cannot accept any liability for any inaccuracies or omissions (other than for fraudulent misrepresentation) in this material and any decisions you make based on information contained in this material are your sole responsibility.

Any opinions or views of third parties expressed in this material are those of the third parties identified, and not of BP or its affiliates. BP does not provide accounting, legal, regulatory or tax advice. This material does not provide any investment advice.

To the maximum extent permitted by law, neither BP nor the BP Group accept liability for any direct, indirect, special, consequential or other losses or damages of whatsoever kind arising out of access to, or the use of this material or any information contained in it. For the avoidance of doubt, nothing in these terms will limit BP's liability for death or personal injury arising from its negligence. If you are in a jurisdiction which does not allow for the limitation of liability in contracts, the foregoing limitation may not apply to you.

This material is not for distribution to any person to which, or any jurisdiction in which, its distribution would be prohibited.

Copyright in all materials, text, articles and information contained herein (other than third party materials, text, articles and information) is the property of, and may only be reproduced with permission of an authorised signatory of BP. Copyright in materials, text, articles and information created by third parties and the rights under copyright of such parties are hereby acknowledged. Copyright in all other materials not belonging to third parties and copyright in these materials as a compilation vests and shall remain at all times copyright of BP and should not be reproduced or used except for business purposes on behalf of BP or save with the express prior written consent of an authorised signatory of BP. All rights reserved. BP International Limited, Chertsey Road, Sunbury on Thames, Middlesex, TW16 7BP.

Ownership of trademarks

BP and the Castrol mark are trademarks of BP p.l.c. These terms of use do not grant you any rights in any trade marks, trade names or logos owned by BP, its third party suppliers and contributors (including but not limited to Man Bites Dog, with registered company number []).
